Collections: Homework Check #1
(5 points)

Points earned for completion of requirements below. No partial credit.

Begin Collecting Images that will be used to create textures in future assignments.

For the first collections check, you will need to find:
5 different surfaces that can produce texture effects.

Examples:

Tree Bark

Concrete

Cracks in Rocks

Rough Fabrics

Wrinkled Paper

Wood (aged especially)

You can shoot these surfaces or scan them.

Hints:

Shoot in high contrast lighting to emphasize texture.

Shoot with side lighting to emphasize texture.
