Homework – 1: Photographer You Admire
(5 points)

No Partial Credit

1. Pick a photographer or artist utilizing photographic imagery that you currently admire.
2. Find three examples of this person's work in either magazines, publications, books, or online.
 - If online, download or screen capture the images. Also, write down the URL (website address) for the two images.
 - If your example comes from a book or publication, you can Xerox or make a copy of the photography and turn it in.
3. **In complete sentences**, state a minimum of three reasons why you like the work, and why you find the images interesting.
4. Include the artist's name and title's or work (if given).
5. Type your answers. NO hand written homework accepted. You can print out your answer, or email them to me as an attachment in word document or PDF form. Be sure to include the images in the attachment or print. If printing, complete before class.
