Homework – 3: Lightroom – Chapter 1 and Chapter 2
(5 points)

No Partial Credit

Read the following in the Scott Kelby Lightroom 5 book. Answer the questions in complete sentences.

Chapter 1 (read whole chapter, but emphasize the topics below)

In particular, pay attention to these articles:

“Before You Do Anything, Choose Where To Store Your Photos”, p. 2

“Creating Your Own Custom Metadata Templates”, p. 45

“Four Things You’ll Want To Know Now About Getting Around Lightroom”, p. 47

“Lightroom Killer Tips, p. 55”

Questions:

1. Where can you embed a copyright into the image?

2. List two advantages of DNG file format:

Chapter 2 (read whole chapter, but emphasize the topics below)

In particular, pay attention to these articles:

“Sorting Your Photos Using Collections” p. 64

“Keeping Things Tidy Using Stacks” P. 80

“Renaming Photos Already In Lightroom” p. 99

“Adding Copyright Info, Captions, and other metadata” p. 100

“Creating and Using Multiple Catalogs” p. 115-119

“Backing Up Your Catalog”, p. 120

“Relink Missing Photos”, p. 122

“Dealing With Disasters” p. 124

“Lightroom Killer Tips” p. 127

3. What is the difference between a collection and a folder?

4. What is Survey View, and what Module is it located in?

5. How do you relink a missing photo?
