

Art 206
Homework

Topic: Landscape

Find one photograph as an example for each of the following categories. Include, the title (if it has one), artist's name, and the source for the image. Explain why the image fits into the specific category. Use 2-5 sentences to explain your answer. Answer in complete sentences.

You cannot use images found in the class PPT for A3: Our Relationship To Space (Landscape / Cityscape).

Common Approaches:

1. **Iconic Landscapes** – Monuments and symbols associated with a group, event, way of life, etc.
2. **Scale and Relationship to People** – Comparison of environment to humans via scale
3. **Landscapes With Evidence of Human Impact** – how have we changed the landscape?
4. **The Urban Landscape** – looking at man made structures in the same manner as traditional landscapes.
5. **Altered Landscapes** – anything where the landscape has been altered specifically by the artist.
