

**Topic: Abstraction & Human Figure**

Points earned for completion of requirements below. No partial credit. Use complete sentences to answer all questions.

1. Review the PPT's related to "Body As Subject" for A6.
  
2. Find 3 examples of Abstraction and the Human figure that are NOT shown in the PPT.
  - List the titles and artists for the work if possible.
  - If the images are found online, write down the source (website) where you found them. Either email as attachment, imbed in a word document, or submit them to the dropbox.
  - If found in a book or magazine, you can copy the page and include the source information.
  
3. In 2-5 complete sentences per image, write about how the abstraction effects the interpretation of person. What mood, feeling, or symbolism do you see in these images? What is the overall "impact" of these images?
