Final Grade: _____

Final Grades are assessed on the following scale:

1000-925=A, 924-825=B, 824-725=C, 724-625=D, 624 or less = F

The instructor reserves the right to adjust the final grade based on class behavior and total class performance. If an item listed above is removed from class requirements, then the grading scale will shift the number points that the item was worth. For example, if an item worth 10 points does not occur, then the highest grade in the class will be 990 points and 915-990 points would result in an "A" for the semester and so on.

The instructor reserves the right to replace any of these activities or projects as necessary.
